A REAL GEM

Dear *Voluptuous*,

I just wanted to thank you for running yet another quality pictorial of the most beautiful model to ever grace the pages of *Voluptuous*: Sapphire!

The last time I saw her was in the June 2004 issue, and I have to say, it was far too long a wait.

Words cannot describe what I felt when I turned to page 73 of the January 2005 issue and saw Sapphire standing there, her breasts pouring through that nursing bra, spreading one of the most appetizing pussies I've ever laid eyes on! If that had been the only photo in the entire magazine, it would have been enough!

While I am eternally grateful for the

new pictorial, I wonder how she did not make the final ballot for Model of the Year? Sapphire is the model of a lifetime! Thanks again and, please, more Sapphire!—J.V., Illinois

BIG TITS AND...NICE NAILS?

Dear *Voluptuous*,

Thanks for the great publication.

If I were editor of *Voluptuous*, I would require (or at least strongly suggest) that all models have long and professionally manicured fingernails. The biggest turn-off I see in your mag as well as porn in general these days is women with short, ugly fingernails. Long fingernails are so feminine and attractive. I find it hard to believe some women want to

Normally we like to look at tits, but a reader's letter had us looking at... nails and fingers. Go figure. Now we've become fixated, and what we found was that most V-girls have great nails. We didn't find many nail-'chompers.' Our faves? Ironically, auto mechanic Ines Cudna (right, middle) always has well-manicured nails, as do Linsey (top) and Samantha (bottom).

model for magazines or star in porn movies, but don't think to or don't want to have even some fake fingernails applied. The well manicured look gives the model the appearance of being refined, as opposed to some broad who just got off work packing boxes at a warehouse or factory.

I also have to disagree with a letter published in the 2004 Holiday issue. D.W. of South Carolina requested getting rid of the high heels. Please do not do this! Some bare feet just aren't sexy.—X.G., e-mail address withheld

WHERE TO GET X-RATED PHOTOS DEVELOPED

Dear *Voluptuous*,

I have been buying *Voluptuous* for a while now and just received my first subscription copy. Since I ordered *Voluptuous*, my fiance has started looking through it, and now she knows how hot I really think she is.

With great tits and a hot pussy (plus nice nails, too!), what's not to love about Sapphire? Watch for more new pictures of this gem, coming soon.

She is about 170 lbs., and I love the way she jiggles when we are fucking.

The best part about her looking at *Voluptuous* is that now she said I could take some pictures of her as long as she can take some of me. The only problem is, we don't know where we can get them developed. No one does that around here. Could you help us out? Do you know any addresses where we can mail our film to? I know that someone can help.—James and Molly,” e-mail address withheld

Dear "James & Molly": There are a number of photo labs with websites that develop adult content. If you "Google" the words "photo developing nude," you'll receive the same extensive list we did.

VIA PAXTON HARDCORE

Dear Voluptuous,

I was surfing the Internet when I came across some surprising information about Via Paxton doing a gangbang. Is it true that she is now doing XXX? If this is true, can you provide any information where I can purchase the videos?—L.F., Massachusetts

Dear L.F.: Via Paxton has not done hardcore. What you saw was a website trying to grab your attention. This is a common marketing technique on the unregulated Internet. Although we knew of those the Via Paxton claims before your correspondence arrived, we do thank you for bringing it to our attention. We are working to get these websites to discontinue their misleading practices.

I'D DRINK HER BATHWATER

Dear Voluptuous,

I normally don't write magazines, but your January 2005 issue was too good to be true. Please let me sing your praises.

First, Dayton Hines is one hot lady. She is one girl who would be fun to do just about anything with, and her beautiful eyes and lovely body are just spectacular. I was excited to read that she will be posing again.

Then there is Kerry Marie. She is absolutely hot. The police outfit she had on was simply smoldering. There is no doubt why she was Model of the Year last year and is a very strong contender this year as well. Kerry is one of the hottest women I have ever seen.

However, the lady who really made me write is Marketa. I tell you, she is one lady I would drink the bathwater of if I had the opportunity. Marketa has to be one of the most attractive ladies you have ever put in your magazine. Her gorgeous eyes, lovely lips, beautiful body and unbelievable rack are more than I could handle.

I am a very happy subscriber to Voluptuous and will be purchasing some of the videos these ladies are in as soon as I can.

Thank you for one of the best issues you have ever made.—J.F., Missouri

SEND US YOUR WIFE'S PICS!

Dear *Voluptuous*,

I am a long time fan of your magazine, but this is my first time writing you. I originally stumbled upon your publication in an adult book store in upstate Illinois five years ago, and I have been hooked ever since.

I'm married to a gorgeous woman with a natural 38DDDD rack and am currently trying to talk her into posing for you. She has expressed some interest in doing so, and I hope to send you pictures of her in the near future.

In reading recent issues, I noticed that some of the readers make mention of your models wearing heels and their displeasure with that decision.

I disagree and can honestly say that I love it when you photograph your models wearing "Come Fuck Me Pumps." And, the shorter the skirts, tighter the tops and skimpier the outfits, the better. When your models' giant tits spill out of the top of the bra or bikini top, it's a beautiful thing.

If I wanted to see their feet and hairy armpits I'd buy a copy of a foot fetish magazine or go check out the bearded lady at the circus.

In short, please keep your magazine and videos the way they have always been. *Voluptuous* is nothing less than a blessing for a man who loves beautiful women with big naturals. Keep up the excellent work and don't let anyone ever tell you different!

Lastly, our favorite models are Brandy Talore, Samantha, Nicole Peters, Angela White, Maria Moore, Diane Poppos and Nadine Jansen. If any of them ever decide to do a threesome we would gladly volunteer to be the lucky couple!—P.W., Florida

7TH ANNUAL MODEL OF THE YEAR CONTEST

Has it been seven years since Carol Brown won the first Model of the Year contest in 1998? You know what they say about time flying? Well, this year the votes flew into Big-Tit Central to the tune of 19,845, topping last year's old record vote count by more than 5,000 votes. Unfortunately for seven of 2004's finalists, this contest was over before it even started. The Big Three of Nicole Peters, Kerry Marie and Nadine Jansen dominated 2004's contest. Still, all of the finalists deserve congratulations, though none more than 2003's Newcomer of the Year, Nicole Peters, whose resume can now read...*Voluptuous* 2004 Model of the Year.

KERRY MARIE 1ST RUNNER-UP

2003's winner nearly did it again.

Talk about coming into your own in no time whatsoever. In less than four years, Kerry Marie has gone from gorgeous girl-next-door to the best *Voluptuous* babe on the planet, winning 2003's Model of the Year title, in what many considered an upset. Could she do it again in 2004? With 2004's Hall of Fame field, even Kerry thought she'd finish no better than eighth. Guess again, beautiful. You didn't win, but you came damned close and solidified your status as one of the best *Voluptuous* women of all time.

Now, we could tell you all about why Kerry was a winner last year and will always be one, but we can't say it any better than T.R. from Pennsylvania, who didn't vote for Kerry in 2003's contest, but changed his mind in 2004. "I always liked Kerry, but I never considered her a superstar. When she won in 2003, I couldn't believe it. But, the more and more I looked at her pictures, the more I realized how awesome she is. Kerry is the total package. Even this year, with three of my favorites (Nicole, Cherry and Nadine) in the contest, I still voted for Kerry. Why? She's the best of the best."

It seems like we've watched Kerry grow-up before our eyes. She debuted in 1999 as a wide-eyed, bashful 21 year old who wouldn't even show her pussy. Now, Kerry has won a Model of the Year title, finished in the top five a bunch of times, gotten eaten out by Cassandra on video and had two orgasm-filled, cunt-stuffing dildo videos. The young English country-girl who used to live with her mum when she first began modeling has cum a long way in a short time. Where will the thrill-ride end? She's already way past "greatness," so your guess is as good as any.

VOLUPTUOUS

2004 NEWCOMER OF THE YEAR CONTEST

Why do we encourage V-men to vote in our annual contests? Because somewhere in the world, there are a few hundred readers who didn't vote for whatever reason. Had they, 2004's results could be much different. The top four finishers were separated by less than one percent of the total 19,845 votes, and spots five through 12 were each separated by, at the most, a couple of hundred votes. That's a lot different than 2003, when Nicole Peters doubled up what we thought then was an incredible influx of new talent. Now, we have to wonder if 2004 was even better, offering up perhaps the greatest *Voluptuous* freshman class ever? Something to think about, while we salute our top three, all of whom could have worn the crown as *Voluptuous* 2004 Newcomer of the Year.

18 measly votes, and this would be the winner.

Yes, coulda, woulda, perhaps shoulda...But, you'll never hear Bozena bitching about coming in second. The way she figures it, a Silver medal is a beautiful thing. Plus, she just got finished eating Kelly Kay's pussy on a new girl-girl video. Ahhh...So, you guys actually read this stuff. Well, pick your jaw off the floor and keep reading for more of the horny details.

The video event of this Spring and probably any other is called *Bosom Buddies #6*, and all you need to know is Bozena, Kelly Kay, lots of snacking on the carpet, plus some full-course meals of snatch, tit and ass await in the Video Club on page 98 of this issue.

Now, that would make two sex videos for Bozena in, oh, about four months. Plus lots of new pictures. And, she's still going to college, working in a factory by day and serving drinks by night.

Plus, she fucks like a champion and has the body of a pagan sex goddess. No wonder thousands of guys have said she's the best thing to hit Big-Tit-Dom since the nipple.

BARE FACTS BOZENA

Now, we could write volumes about Bozena, which wouldn't be the worst thing in the world because then we'd get to talk to this bundle of sexual effervescence. But, rather than hearing what we have to say, we now turn the page over for a few words from some of our sponsors. "One of the prettiest models you've ever featured and some of the best tits I've ever seen!"—J.P., California; "I cheated and got her XXX video. After that, it was no contest! Bozena is #1."—L.R., Texas; "Even though she's plumper than I nor-

mally like, you can't argue with those tits!"—R.W., England; And lastly, from M.S. in New York, who pretty much summed up the sentiments of thousands of *Voluptuous* readers who struggled to select a winner in 2004's Newcomer of the Year contest... "Bozena exudes beauty and sexiness. This was a hard choice as Kelly Kay is as great as Bozena, but I have chosen Bozena. If you could award the title to two women who exemplify *Voluptuous* in every way, then I would choose both Bozena and Kelly."

SEX-ED

The only thing hotter than day-dreaming about that busty co-ed, is when she has fantasies about you.

Erotic Fiction By MICHAEL MEYERHOFER

I'd never slept with one of my students before. In fact, I'd always frowned on that sort of thing. But the moment I saw Callie, I knew I was in trouble!

The first day of class, she showed up in a tight checkered skirt and an overflowing tube-top. She walked in five minutes late, and it took everything I had just to keep my eyes from bugging out of my skull. The other guys—and even a few girls—in the classroom weren't quite so subtle. For a few seconds, everybody just stared as she took her seat, a coy little smirk on her lips.

Callie was hot enough to give someone a heart attack! Tall and fluidly graceful, she was nevertheless sporting the fullest bosom I'd ever laid my hungry eyes on. This girl had to be at least a triple-D, and her straining top left very little to the imagination. At first, I thought her oversized breasts must be fake, but then I realized by the way they jiggled and jostled proudly in front of her that they were all natural. I could barely take my eyes off her! But I knew I

**"You can fuck me
if you want. I promise
I won't tell anyone..."**

had a job to do, and it wasn't appropriate for someone in my position to ogle her like that.

Unfortunately, Callie wasn't making it any easier.

She sat down right in the front row and smiled shyly at me, delicately crossing her sun-bronzed legs. Her skirt was so short that I could actually see all the way up her shapely thighs, right to her silk panties! I was sure this incredible, huge-breasted brunette would be the death of me, and I hoped that she'd at least be quiet in class, so I could avoid calling on her. After all, I frankly wasn't sure if I could even look at this knockout without getting an erection.

But there was one problem with that plan—Callie wasn't only gorgeous; she was smart, too! Every time I asked a question in class, she had the answer. Her big dark eyes twinkled mischievously as she demonstrated an unbeliev-

able knowledge of everything from politics to science to literature. But she was never arrogant about it. She was sweet to everyone, and one by one, she even won over the girls who were jealous of her.

Day after day, Callie came to class in blistering-hot outfits, her big breasts practically heaving out of her clothes. She furiously took notes when I lectured, laughed at my jokes, and batted her eyelashes shamelessly. The toughest days were when she leaned way forward in her chair, offering me an exquisite view of her cleavage. I was sure she must be toying with me.

But, like I said, Callie was smart. She certainly didn't need to flirt with her professor to get an A!

I started to wonder if she had a crush on me. Things like that aren't uncommon, since most girls—especially very attractive ones—unfortunately aren't used to men taking them seriously. But I appreciated Callie's mind as much as her body, and that only seemed to turn her on more.

One day, she came in with a shy

blush on her face, and I noticed that she was wearing a very short, very tight leather skirt that hugged her exquisite shapely tush. Then she took her usual seat right in front of me, sensuously crossed her legs, and I realized she wasn't wearing panties!

I don't know how I got through class without going nuts, but when it was over, my throat was dry as a bone and I was aching to fuck her so bad I just couldn't stand it! I knew I had to do something, or else I'd go out of my mind. She took her time gathering her books, stalling until the other students had all filed out of the room. I could tell she knew what I was thinking. As she was getting up, I asked her to stay after class for a moment.

A flutter of excitement passed over her face, and I got the feeling she was expecting me to throw her down on the desk and take her right then and there.

"Callie," I began nervously, "I'm afraid I have to ask you something..."

She batted her eyelashes. "Yes, Professor Davis?"

She drew closer and closer to me, her

big, heaving breasts demanding my attention. With my last ounce of willpower, I resisted.

"Callie...I have to ask you not to dress like that anymore," I said. "Frankly, it's...not appropriate." I was blushing like a teenager, as much from excitement as nervousness.

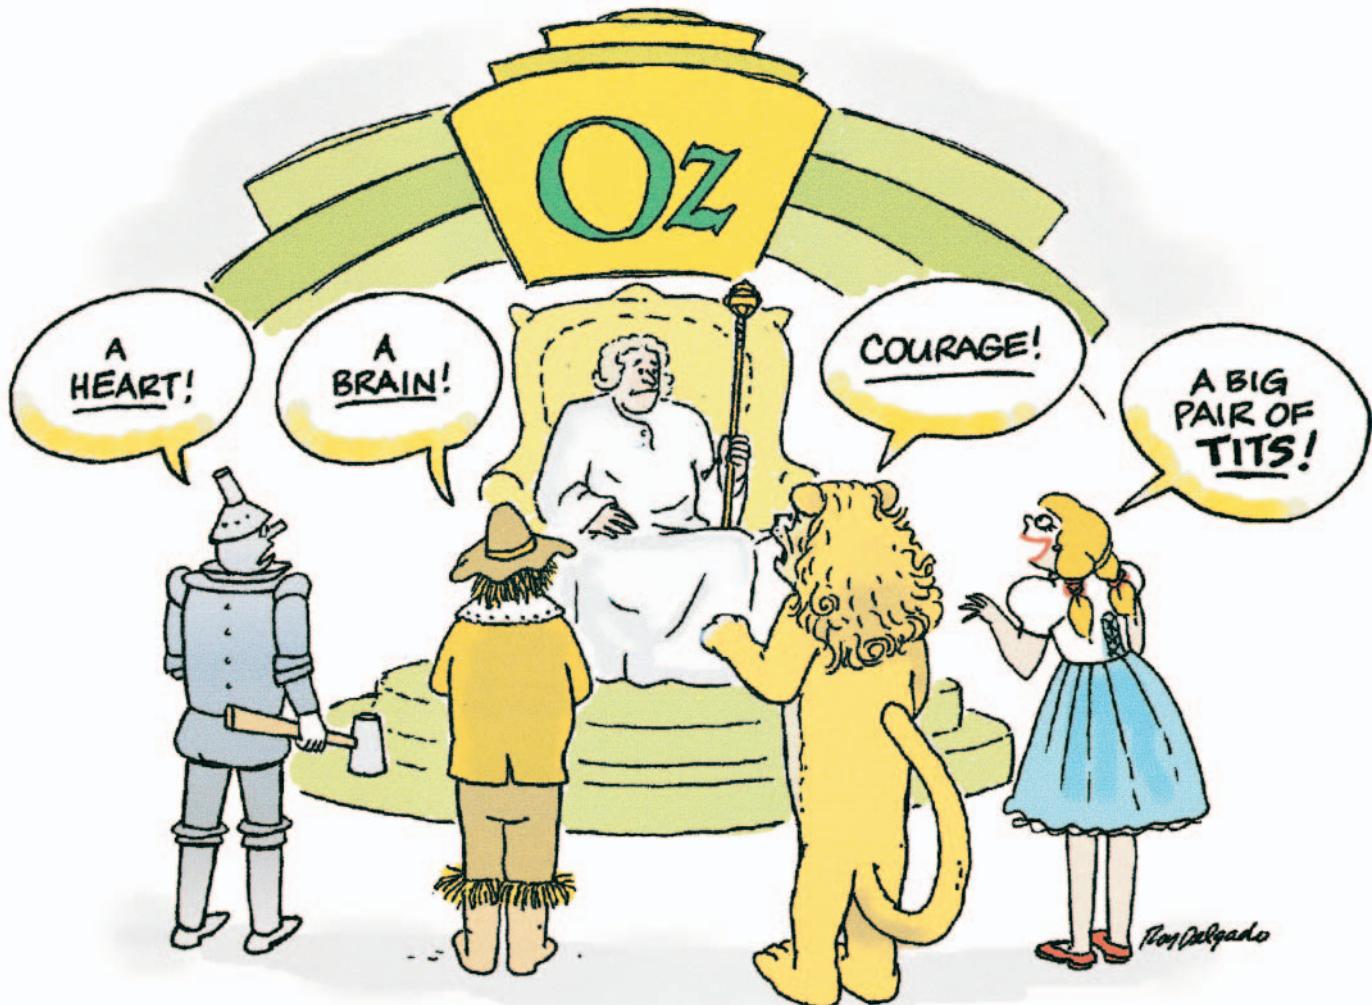

Callie immediately looked hurt. "Are you saying I'm not attractive?" I softened my expression and smiled. "Not at all."

Her expression of hurt turned to a coy grin. "Then what's the problem?"

She moved closer still, so close that her giant breasts were brushing my chest. I could see her nipples swelling through the thin fabric, rubbing against me. In a lusty whisper, she said, "You can fuck me, if you want. I promise, I won't tell anyone."

I swallowed hard, my mind spinning with fantasies of finally ripping off her tight clothes and pumping my painfully hard cock between her soft, gorgeous melons. My head was buzzing and I was ready to lose it, but I managed to

2004 PLUMPER OF THE YEAR CONTEST

Talk about every vote counting. With a record *Voluptuous* voter turn-out, 2003's inaugural Plumper of the Year winner, Samantha, missed the bronze in 2004 by a scant 22 votes. Had less than one percent of the 19,845 voters changed their votes to Samantha, she would have scored a repeat win. All told, every one of 2004's Plumper finalists had their fans, and lots of them, with one common phrase making up the bulk of voters' comments... "The Ultimate Plumper." We read that for every one of the finalists, although none had it said about her more than this year's winner, *Voluptuous* 2004 Plumper of the Year...Devin Taylor.

DEVIN TAYLOR

Last year a bridesmaid, this year the bride. Devin Taylor voted Plumper of the Year.

In 2003, Devin was neck and neck with Samantha in *Voluptuous'* first-ever Plumper of the Year contest. This year, Devin drew the votes she needed to emerge the V-man's #1 choice for 2004. Congratulations, Devin. "Devin is the hottest woman to hit your pages," wrote Jay. "Devin has such a killer smile and gives 'great face' in her photos. She makes love to the camera. I love her poses and she looks like she is really having a good time. I have all her layouts and her *XL Girls Home Alone DVD*." This pictorial salute to Devin revisits the photo shoot first seen in *XL Girls SP #83*.

Of The Year**

"All I gotta say is that Devin Taylor is an absolute Goddess," wrote Sean, who typified many of the voters who sent in their comments along with their ballots. "She has one of the prettiest faces in all of *Voluptuous* and with a body to die for. I love how confident and open she is about herself. She oozes sex appeal. She knows just how beautiful big women really are." All we can say is that 2004 was one hell of an erection year with gals like Devin, Inesse, Taylor Stevens, Kat Vixen and Joy Juggs. What's next year's contest going to be like? Our minds reel at the thought.

take a step back.

"I can't. At least not yet." I barely even knew what I was saying, but the words poured out of me. "I think you're very beautiful—and smart, too. You certainly don't have to do this to get a good grade."

I hesitated, then added, "I won't lie...I want you, but it isn't appropriate for us to get together while you're my student. If you still feel this way after the final exam, we'll see."

She was quiet for a moment, a little surprised, then she took a step forward and gave me a big hug. Her huge, warm breasts mashed against my chest, and my arousal practically went through the roof!

"Ahhh, no one's ever said that to me

before," Callie said, still clinging to me with her spongy, huge breasts spreading out so much, they were practically wrapping around my torso. "You're such a gentleman!"

Speechless, I just smiled. All my willpower was gone. I wrapped my arms around her and hugged her back, certain she could feel the erection straining inside my slacks. Luckily, I could tell that my refusal only turned her on more.

"Trust me," she said, breathing heavily into my ear, her soft, sensuous voice as erotic as any I'd ever heard. "I'm not flirting with you because I want a good grade," she said, drawing me in even closer. "I may be a smart girl, but as soon as I ace that exam, I fully expect you to fuck my brains out!"

I smiled and stepped back, finally letting my eyes roam freely all over her hot, voluptuous body.

"Tell you what," I said. "Forget what I said before. Dress however you like." I winked. "In fact, I think what you're wearing today is just fine."

Callie grinned at my compliment. "So it's a deal?"

My eyes grazed over her incredible body again. "Deal."

Callie headed for the door, wiggling her tush the whole way. As she was leaving, she paused, looked over her shoulder at me, then lifted her skirt and flashed me her bare ass. She lifted her tush in the air, gave it a playful spank and giggled again. "I can't wait for you to fuck me!" she confessed, blushing guiltily before she ducked out the door.

Every day after that, Callie came in wearing even hotter outfits than before, just to torture me. She almost never wore panties, and from time to time she would "accidentally" spread her thighs just enough to show off her pretty, clean-shaven pussy, glistening with wetness. She had me so turned on that I knew there was no way I could hold out eight more weeks.

Callie knew it, too.

One evening, I was working late in my office when there was a soft knock on the door.

I knew the rest of the building was empty, and my heart leapt with excitement when I thought of who it might be. I opened the door. Sure enough, there stood Callie in a tight, slinky black dress. And she wasn't alone. Beside her stood a busty redhead in a clingy, red dress. I had never seen her before, but my eyes were immediately drawn to the incredible amounts of cleavage pouring from the low neckline of her outfit. Both girls had mischievous, little grins on their faces.

"Hi, Professor Davis," Callie said. She slipped her hand around her friend's waist and led her into my office. "This is Bianca, my roommate."

The redhead openly looked me over from head to toe, a lusty smile on my face. "Callie's told me all about you," she said with a saucy smile.

"Pleased to meet you," I said, both confused and excited about what was happening. What was Callie up to? Did she really expect me to go back on our agreement and fuck her before the semester was over? And why had she brought her sexy roommate with her?

Callie closed the door, and the three

JOANA 2ND RUNNER-UP

Picture-perfect with some great big naturals!

"Man, is Joana slung!" That's not us speaking. Those are the words of *Voluptuous* subscriber D.R. from Massachusetts and the sentiments of thousands more just like him from around the globe. In a contest that was supposed to be dominated by Kelly Kay (at least that's what we thought when we were organizing 2004's Newcomer of the Year contest), the more and more we looked at F-cuppers like Joana, we knew this contest was going to be a tight one. Now, the lady who was just posing to make some extra money during tough times, has a decision to make—greatness or anonymity.

The problem with finding gals-next-door, be they in America or Romania, is that they don't have superstar ambitions. Joana, for example, just wants to manage her Bucharest coffee shop, find a man and have some kids, just like her mom did. How did Joana react when we told her guys consider her one of the most beautiful and bodied-up babes in the world? First, she laughed. Then, she said, "I wish some of those guys lived around me! Here, I can't get a date. Here, I'm just Jo." Hey, we'll take an F-cup of Jo any day of the week and twice on Sundays.

BARE FACTS **JOANA**

Age: 25 **Birthday:** October 22, 1979 **Height:** 5'8"

Weight: 137 lbs. **Bra Size:** 34F **Measurements:** 42-28-38

Born, Raised and Lives: Bucharest, Romania

Occupation: Coffee shop manager

Sexual Fantasy: "A trip to New York City and a week of public, passionate sex with a mysterious, sexy man—just like in that movie *9-1/2 Weeks*. I just saw it. That movie was very erotic."

Previous *Voluptuous* appearances: Holiday '04, Nov. '04

With perfect breasts and dream areolae that get all crinkly and sexy when she's horny, plus a curvy body to die for, which of Joana's physical features did voters write in raving about the most? Her eyes. "Joana makes me melt. The way she stares at you in her pictures tells me she'd be a dream fuck," L.T. from West Virginia told us. Another reader, J.F. from Colorado, has far loftier ambitions. "The first time I saw her in *Voluptuous*, I looked right into her eyes and said, 'That's the woman I want to marry!'" Finally, E.J. from Texas simply loves to "Watch her stare at me when I jerk off all over her pictures." V-men and their eloquence. Ya gotta love 'em. Thanks Jo, for bringing out the beast...err...best...in all of us.

Voluptuous 2004 Newcomer Of The Year Contest

KELLY KAY 1ST PLACE WINNER

**The voting was close, but
was there ever any doubt?**

Kelly Kay didn't win by many votes. In fact, her margin of victory was the smallest in *Voluptuous* history. But, we ask you...10 years from now, will anybody give a damn how many votes she won by? No, guys will probably be looking at Kelly's pictures in *V-Mag* or on BustyKellyKay.com, calling her one of the greatest babes to ever bare boob and remembering how, in 2005, they witnessed a legend in the making. How, during her first pictorial Kelly wouldn't even take off her panties. How they watched Kelly mature before their very eyes, from a bashful 18 year old to... *Voluptuous'* 2004 Newcomer of the Year.

Wow! Sometimes two consonants and one vowel are all you need to describe a woman as incredible as Kelly. Yes, we said...woman. Kelly Kay is no little girl any more, scared of the camera. Now, she's become a bonerfide sex goddess and is showing off every inch of her incredible body, posing with confidence and sensuality and promising greater things to come. Kelly has already taken a big leap since her debut in the Oct. '04 *Voluptuous*, and now she's even done a girl-girl video with Newcomer of the Year 1st Runner-Up, Bozena. That's right. The top two new models of 2004 going down on each other with tongue and toy in *Bosom Buddies* #6. of us stood quietly in my office for a moment. Then Callie looked at me and, without batting an eyelash, she said, "Since you won't fuck me, I've been horny as hell lately!"

Bianca giggled and playfully raised her hand. "Luckily, I've been nice enough to eat her out every night!"

It made me somewhat nervous to know that Bianca knew about our agreement, even as their solution to Callie's insatiable lusts immediately turned me on.

"I figured it was probably killing you, too," Callie said, "so I thought Bianca and I could put on a little show to tide you over."

"Take a seat and watch," Bianca said. "Feel free to jerk off if you get the urge, which I know you will."

Without another word, Callie and Bianca started kissing! I was speechless. Right in my office, two beautiful, busty coeds were making out and pawing at

each other! As I watched, I felt more and more turned on by the second. As though they'd completely forgotten I was there, Callie and Bianca started some heavy petting, licking each other's necks and groping each other's oversized boobs through their tight dresses. Then Bianca cast me a playful grin and peeled Callie's dress off.

I couldn't believe it. Callie was even more beautiful than I thought. Her huge, natural breasts were perfectly shaped, ending in delicate, pink nipples that swelled for attention. As the dress fell down her hot body, I appreciated her shapely legs and gorgeous ass, and knew it would now be harder than ever to wait to fuck her. Callie shyly looked at me, then grinned when she saw my wide-eyed look of approval. She winked at me, then turned her attention back to her roommate.

Bianca looked just as turned-on by Callie as I was! Panting hard, the redhead ran her hands all over Callie's body, licking her giant boobs, her stomach, her thighs, then her ass. Callie closed her eyes and just took it all in, a

giddy look of pleasure spreading across her face. Then she pulled Bianca back onto her feet and they kissed again.

"I want us to rub our big tits together!" Callie whispered hotly.

Bianca grinned. "I thought you'd never ask!" The busty redhead peeled her dress off, and her own incredibly giant tits jiggled into full view. Her body was gorgeous, too-plump and curvy in all the right places—and I knew I was in for a treat. Unable to hold back any longer, I jerked my fly open and whipped my hard cock into the open.

Callie gasped at the sight of my huge erection, then turned her attention back to Bianca as the redhead started rubbing her huge melons against Callie's. The two girls French-kissed again, sensuously rubbing their big, bouncy breasts together while I watched and stroked myself.

"Rub your tits on my pussy now!" Callie panted, more excited than ever.

Bianca did as she was told.

Callie laid down on my desk right in front of me, turning her head towards me so she could watch as I sat in my chair and stroked my long, hard cock. Meanwhile, Bianca kissed her way down Callie's body, getting closer and closer to her pussy. Quivering with lust, Callie spread her tanned thighs, still staring at me with her bedroom eyes. I felt so jealous and turned on at the same time! Bianca cupped her giant breasts and dragged them back and forth over Callie's wet cunt, both girls purring in pleasure.

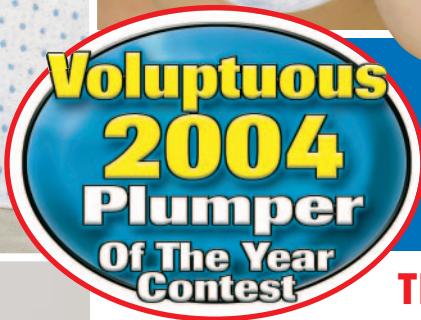

"God, Callie, your pussy's so warm!" Bianca said.

"Your boobs are warm, too!" Callie answered, still unable to wrest her eyes from my cock. "Stuff your fingers in my pussy! Fuck me hard!"

Bianca answered by easing two, then three, fingers into Callie's aching cunt. The voluptuous brunette howled in ecstasy, barely remembering to muffle her cries with her hand in case there was anyone left in the building after all. I just stared and stared as I stroked off, my eyes devouring the sight of Callie's gorgeous naked body writhing on my desk while her roommate finger-fucked her and slurped on her swollen clit. Soon, Callie was cumming, her heaving breath making her giant breasts jiggle so invitingly I could barely keep my hands off them!

TAYLOR STEVENS 2ND RUNNER-UP

The world's newest superstar plumper.

From the north of the border, here comes one awesomely curvy plumper. Taylor Stevens is her name, she's from Canada, eh, and all it took for her to become a *Voluptuous* superstar was one pictorial in the Sept. '04 issue.

After guys got a load off all over her round backside, perfectly shaped tits and gorgeous face, there was no stopping Taylor in 2004's Plumper of the Year contest. She bested last year's champ, Samantha, and was only 49 votes shy of winning the whole thing. Now, Taylor has come back for more sexy photos and, hold onto your hard-ons, guys, Taylor promises even bigger things in 2005.

If you've ever met Taylor Stevens, you know that she just can't shut up, and thank goodness for that. Trust us, V-men, a more effervescent, chatty, personable lady you'll never meet. And, she's so...cool, for lack of a better word. Taylor can talk beer, boobs or hockey, your choice, and she feels equally at home in a local sports bar as she does at the poshest restaurant. We've never heard Taylor say a negative word about diddly, and about the only thing that seems to bother her is why her favorite hockey team is called the Toronto Maple *Leafs*, when, according to Taylor and *Websters*, it should be the *Leaves*. Yeah, if that's all Taylor has to worry about, her life is pretty grand. Winning the Bronze in 2004's Plumper of the Year contest only makes it that much better. "Second runner-up, eh? I think that's pretty damned good for a big-assed, crazy Canuck. Thanks everybody! You're the best." Not surprisingly, that's exactly what most of the voters said about Taylor.

See that dildo down there? We give you this picture for two reasons. One, to show just how much ass-mass Taylor is packing, and secondly, to tease you with greater things to cum. And we do mean, *cum!* *XL Girls Home Alone #2* is the flick, it's in the Video Club on page 98, and, oh Canada, can this lady work a chick-stick. Taylor says it's partly because of the long, cold winters up north with nothing to do but get off on the hour, every hour. But, mostly because she considers herself the horniest lady on earth. Whatever the reason, you guys should thank whomever you hold holy for Taylor Stevens. This lady is one in a million and worth every cent.

Callie's pussy again, then crawled onto the desk, joining her roommate. "Now it's your turn," she giggled. "Lick your pussy-juices off my big tits!"

Without hesitation, Callie sucked on each of Bianca's nipples, smiling when she tasted her own sweet juices on them. Envious, I watched and felt sure I was going to die if I didn't shove my cock into one of these girls very soon!

As though reading my mind, Bianca turned to me and eyed my huge erection. "You know, you're not *my* teacher." She turned back to Callie. "I know you want him all to yourself, girl, but if you're not going to fuck him, do you mind if I do?"

Callie grinned, still swooning from her orgasm. "Not at all!" she said. "So long as I can watch!"

Before I could say a word, Bianca was on my lap! I barely even knew this girl, but seconds later, her tight wet pussy was slithering down inch after inch of my cock, taking my entire thick rod deep inside her young, silky smooth, vice-like twat. She gasped and leaned forward, wrapping her hands around my neck. Her giant boobs pressed against my face, still sweetly scented from Callie's pussy.

"This feels fucking incredible!" Bianca moaned. "He's fucking hard as a rock inside me!" She started bouncing on my lap, taking every inch of my cock with each down-stroke, jiggling her soft, warm boobs against me. "God, his cock is good. It's so fucking good!"

"I'm so jealous!" Callie groaned, watching us with hungry eyes.

I wrapped my arms around Bianca and explored her body, squeezing her ass and boobs before licking Callie's pussy juice off her nipples. Not only was my dream-girl gorgeous, but she tasted fantastic, too!

Meanwhile, Bianca writhed atop on my rod, her own big tits jiggling. Dizzy with pleasure, she glanced over her shoulder and said to Callie, "You're gonna love this cock!" Returning her attention to me, she guided her nipple into my mouth again. I sucked hard, making her squeal in pleasure as she started bouncing hard, obviously close to orgasm. Reaching around to her ass, I lubed my fingers with juices leaking

The best breasts in the world.

We've been saying it for years, so is there any better way to describe Germany's super-natural, Nadine Jansen? No argument here. Until next time, Nadine, thanks for the look, and sweet dreams, princess. We'll see you soon in all of ours.

Voluptuous Video Review

ULTIMATE CHERRY

Cherry Brady does it all in her raunchiest XXX hardcore video to date.

Review By CURLY REDWOOD

Cherry Brady is a very lucky woman. No, it's not because of her enormous natural breasts or her luxurious red hair or her voluptuous curves.

As naturally gifted as she already is, Cherry was fortunate to be invited down to the SCORE Group offices in Miami for a week to make her own video. Cherry had been told she could do anything she wanted, but her one condition was a doozy. She wanted to be the boss for the week.

The results are clear in this video. *Ultimate Cherry* not only stars Cherry Brady, but it's *all* Cherry Brady. She stars in every scene, and in some of them, Cherry isn't alone.

INTRO

Cherry comes to work wearing a short black skirt and a green bustier over a black top. She's carrying a riding crop, though we hope it's not for employee morale-building.

After chastising two employees in the break room, Cherry heads for her office, where she has her feet up on the desk with a Monica Lewinsky-sized

cigar in her hand. After a secretary brings her a cup of black coffee, Cherry sets up the first scene.

Solo

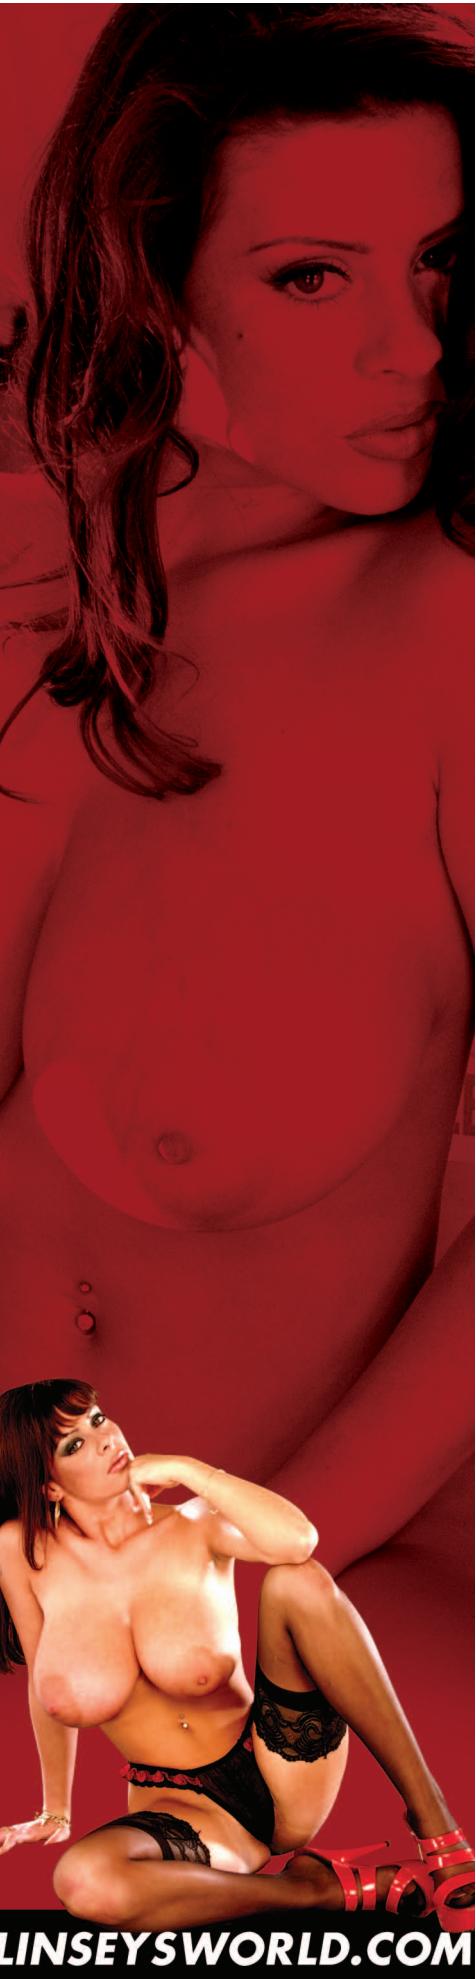

The Boss, err, I mean Cherry comes up with a great idea for the first scene. It's something of an ode to the military. Cherry acknowledges the brave men fighting in the Middle East with a video postcard of sorts. Rather than write some boring letter, Cherry wants to speak directly to our brave servicemen. It's her way of encouraging them to keep fighting the good fight.

Cherry comes out wearing camouflage. Despite the khaki green mesh top covering her camouflage bra, Cherry's huge knockers are right there to be seen. Maybe a little eye-black would help make them less obvious. Of course, some things just can't be hidden from plain sight.

The top comes off quickly and Cherry whips off the bra to free her pillow-like breasts. Out comes a bottle of lotion that Cherry liberally slathers all over her chest, rubbing it into her cans with both hands.

When her breasts are nice and slip-

And, as if this video couldn't get any more great Voluptuous girls in it, along comes Brandy Talore (below), who gives Cherry a hand and a boob in a hot-ass hardcore threesome. Still, as much as we love Brandy, Cherry is the boss and the star of Ultimate Cherry. Read this review and you'll see why.

The pure joy of it aside, what could this guy be lubing Cherry's ass up for? If you guessed some anal action, give yourself two strokes and head on over to the Video Club on page 98 to get your hairy palms on *Ultimate Cherry*.

pery, Cherry grabs a camouflage dildo. That actually does disappear, but only when Cherry slides it between her rack. Each thrust causes it to vanish in her cleavage. Cherry continues to thrust the big green, brown and black missile into her slit. It's enough to make your cock stand at attention.

Cherry turns around to give us a view of her plump ass and then removes her panties. Amazingly enough, her pussy is already wet. Clearly Cherry likes those men in uniform. She takes the dildo and shoves it deep into her pussy, and you can hear the squishing noises as she thrusts it in and out of her hot hole.

Next Cherry hops up on a table and slaps the dildo down for some oral action. Cherry is obviously in the war room, as evidenced by the map she is laying on and the green walls. Cherry actually does several push-ups, showing good upper-body strength as she acrobatically rubs her bombs against the dildo. She has an advantage because her humongous hooters hang so low that she doesn't have to lower herself very far.

After a display of push-ups that would impress a drill sergeant, Cherry

shows she also has strong legs when she climbs on top of the dildo and rides it harder than the drill sergeant rode his troops in *Full Metal Jacket*. By the time she cumms, you almost expect her to yell "Ooh-Rah" rather than moaning.

CHERRY AND ANGELA

Changes clearly need to be made at the office. Cherry is concerned about what she sees as a lack of security in the building. These days, you can't be too careful when you're guarding the greatest cleavage in the world.

Just as Cherry is stressing the need to tighten security, buxom Angela White comes walking through Cherry's office like it's the lobby. The new boss takes matters—and Angela's boobs—into her own hands. First, she grills the saucy Aussie, asking her "How do I even know you're Angela White?" Not to question our superiors, but Christ, Cherry, check out her bod. There are only a handful of women in the world with curves like Angela's. Fortunately, most of them have been to the *Voluptuous* offices, as well.

Cherry actually does a strip-search on Angela, forcing her to disrobe while she looks for contraband. Angela undoes the tie in the front of her dress and takes down the straps. Cherry even makes her slow down while she's disrobing, God bless her. Then she instructs Angela to take off her panties and the red-and-black corset she's wearing. This was quite the productive strip search, indeed.

Next, Cherry searches Angela's purse. She pulls out a can of hair spray, a flashlight and then whips out a dildo, asking, "What the hell is this?"

Cherry actually claims to recognize the dildo from one of Angela's pictorials and realizes the improbability of someone possessing the exact same dildo AND looking exactly like Angela White so she correctly deduces that it IS Angela White. It was almost as riveting as an old episode of *Columbo*.

Cherry leans Angela over her desk and gives her some sort of pat-down frisking that looks suspiciously like Cherry grabbing Angela's cans. Cherry reaches around to check under her boobs and even has a gander into her spread pussy lips. We'd love to do this kind of a search on Angela, too, except the zipper to our pants would manage to spring open so we could bury our cock into her.

Finally, Cherry allows her to go into the studio, giving her a swat on the ass with her riding crop. Once they get into the studio, Angela is ordered to remove Cherry's skirt and the boss starts sucking on the Aussie stunner's big nipples. Finally, Angela gets a chance to reciprocate and takes one of Cherry's whoppers in her hands while flicking her tongue on the nipple.

Angela climbs onto the bed and lays on her back, while Cherry gets on top of her and pushes her watermelons against Angela's honeydews. The fruit salad is about to get juicier when Angela starts fingering and tonguing Cherry's pussy. Angela does an impressive job on the boss, and then the boss actually returns the favor, meticulously tonguing and fingering Angela.

Out comes a dildo—no, not Angela's. This one is even bigger. Cherry sticks one end in Angela's pussy and the other between her massive mammarys, using them to push it in and out of her guest. You can almost see the heat coming off Angela as she takes the dildo deep while her tits bounce wildly.

Angela turns the tables by laying Cherry on her back, spread-eagled. She snakes the dildo into the new boss' pussy and tongues her clit as she thrusts it deep into her moist gash. Angela then puts the other end of the double-dong into her own wet pussy and rides it, making the other half disappear. Angela does most of the work, but then again, Cherry IS the boss.

The hottest part of the scene comes next, when the two are both on all fours facing away from each other and fighting for that extra inch of dildo. The girls get frenzied in their need for harder and deeper action as their asses and pussies connect. You can even hear Cherry's heavy hooters slapping up against her rib cage with each thrust. Finally, both moan with pleasure as they shudder with orgasms.

After all that, Cherry has a proposition for Angela. Well, a different proposition. She wants to give her a job.

Ya gotta love our new boss.

INTERVIEW

Angela and Cherry both have put on lingerie for their interview; Angela's first as a new employee. She has her notes ready and gets Cherry to reveal that her favorite position is spooning, not the usual choice. That's good journalism. This girl might just have a

future as the editor of *V-Mag*.

As Cherry is responding to questions, some video from her recent photo shoot is shown. Angela asks Cherry about her workout regimen and the two do "star jumps" which is Australian for jumping jacks. Cherry winds up getting on top of Angela and doing several push-ups to show off her strength. Angela then asks the next few questions while lying on her back as Cherry plays with her nipples.

Cherry later admits that she has masturbated to *Busty Euro Maids* and to *A Day with Angela White*. She also admits she likes cum facials. The only thing better than a boss who likes cum facials is one who will give you a raise.

Next, Angela tests Cherry's nipples for sensitivity. Cherry likes it rough and demonstrates by squeezing and pinching her nipples. Cherry also states that her kinkiest sex has taken place in The SCORE Group studios, which has to be good news for viewers.

There's plenty more here, including Cherry's life advice, but we won't spoil it for you. Some things you need to learn on your own, kid.

THREESOME

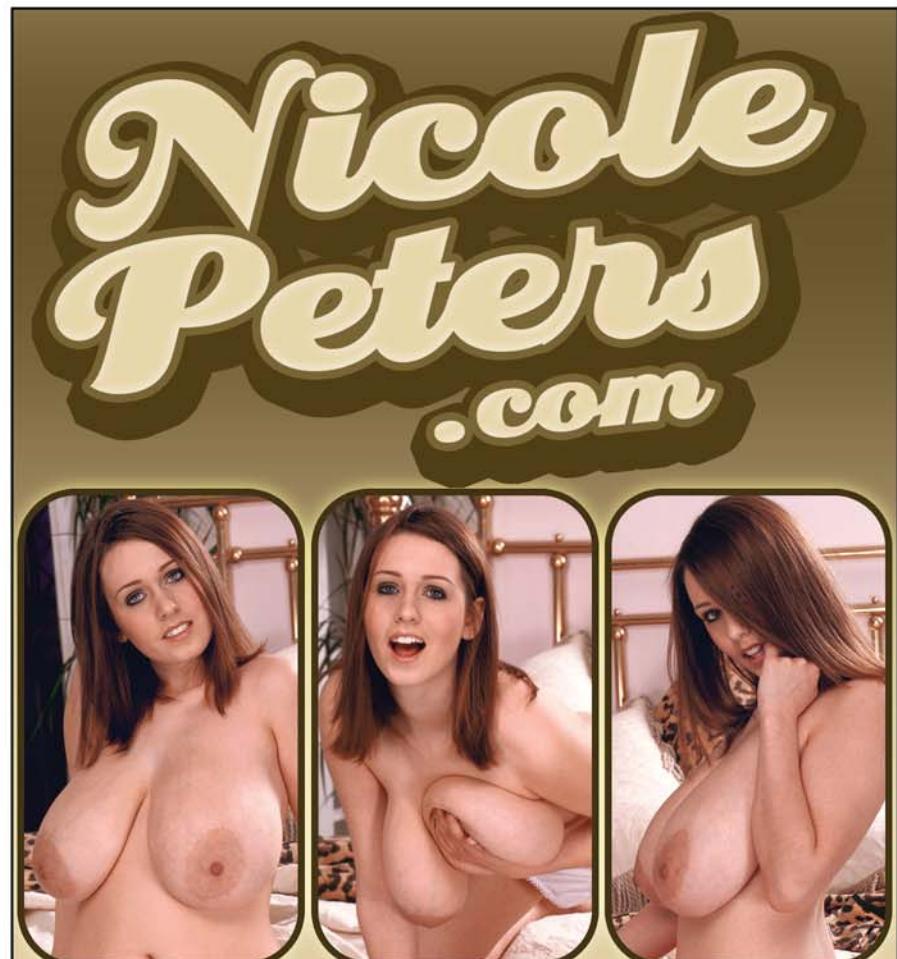

It's good to be the boss. Cherry finds that out when she calls for the blond-haired, blue-eyed maintenance man. She and Brandy Talore are horny from a photo shoot and need someone to grease their grills. Some guys have all the luck. No one ever seems to call a writer for these jobs.

Cherry doesn't just suggest that the maintenance guy do some maintenance on her, she demands it. She is the boss, after all. So like a good employee, our man puts in some overtime.

In no time, he's got Cherry on her back and is tit-fucking her while Brandy eats her pussy and rubs Cherry's clit with her breast.

Brandy gives Mr. Maintenance an outstanding tit-fuck. He thrusts his cock through her cleavage and then watches as she wraps her gazongas around his cock and attempts to milk him dry.

Cherry and Brandy then converge for a two-way blow job, with both taking a turn maintaining his erection. Cherry climbs on top and rides him reverse cowgirl. She winds up getting better leverage by standing on the side of the bed and straddling him again so she can ride him harder and deeper.

Next, Cherry is on all fours and the Maintenance Guy is checking her pipes. Meanwhile, Cherry is licking Brandy's clit while Brandy uses a vibrator on her nipples. As Cherry is getting banged hard, Brandy is sucking on her own nipples and enjoying what Cherry is doing to her clit.

The trio switches positions, with Cherry climbing back on top and the Maintenance Guy lying down with Brandy's pussy in his face. He gets a steady pace going with his tongue on her clit and pretty soon Brandy is moaning as her orgasm quickly builds. When she's done, Cherry wants one of her own, so she starts riding that cock hard and playing with her clit.

After some of that, we get to Cherry's favorite position, as discovered in that hard-hitting interview by Angela White. Mr. Maintenance Guy gets in behind Cherry in the spooning position and ratchets up his thrusts. He fucks Cherry hard until she finally has an orgasm. All that's left is for him to pump his hot load and the girls take care of him, jacking him off until he shoots on both of their racks.

NICE GUYS

Before her week is done, Cherry wants to make sure V-Men know one thing: She's into nice guys. Bad boys don't do anything for her. Treat her right and you can have a chance to break her cherry.

Anyway, Cherry's neighbor comes over and it's obvious she's into him. He's kind of a clueless type who just wants to be friends and never makes a move, until Cherry makes it incredibly obvious that she wants him. And it's not just because the two have matching calculator watches.

After showing him some of the sex toys and videos that she plans to sell, she sits him on the sofa and gives him a demonstration. Cherry whips her top off and shoves her basketball-sized tities right in his face. He sucks on her nipples—nicely—and then rubs lotion all over her cans.

Cherry then gets some flavored gel that she was going to sell and puts it on Mr. Nice Guy's cock. Cherry proceeds to slurp up his cock and proclaims it's the best she's ever tasted.

Mr. Nice Guy then slides his cock between Cherry's enormous fun bags as she coaxes him along. She lays him back on the sofa and wraps her boobs

around his junk, stroking him with her womanly charms.

Then Mr. Nice Guy finally becomes a tiny bit assertive. As much as he would like to drop a load on Cherry's rack, he would much rather stick his cock in her and fuck her hard. Way to go, buddy.

Cherry climbs on top of him and gives him a great ride, reverse cowgirl style. She's bouncing up and down his full length, her feet resting on top of his thighs and her pussy wide open. Then she turns around to face him and is equally enthusiastic in her riding. We get to see Cherry's fleshy ass and get a good view as she slams her big breasts into Mr. Nice Guy's face.

Mr. Nice Guy takes some control when he lays Cherry back and buries his hard cock deep in her sopping-wet pussy. Cherry sucks on her nipple and fingers her clit as he slams his meat into her. Next it's on to some doggie-style action, with Cherry's heavy hooters hanging low and flopping around with every hard thrust. Mr. Nice Guy has gotten the idea of what Cherry wants and gives it to her hard and deep.

Speaking of what Cherry wants, Mr. Nice Guy then slithers his snake into Cherry's gorgeous bung hole. He takes his time, like you'd expect a nice guy to do, but pretty soon he is ramming his full length all the way up Cherry's Hershey Highway. Cherry responds by climbing on top of him again and riding him reverse cowgirl, taking every inch of his erection deep in her asshole. A bonus of the Reverse Cowgirl Anal Fuck Show Cherry puts on is that this position allows for great close-ups showing Cherry's fantastic pussy lips.

When Cherry wants him to shoot his load, she eagerly kneels down in front of him and strokes his stiff cock, telling him to unload his jizz all over her cans. Soon enough, he does just that, dropping a greasy load all over her huge tits.

No more Mr. Nice Guy.

THE END

Fittingly, the final scene is just a quickie. Cherry recaps the week that was and goes through the highlights. It was great to be the boss (it usually is) and how she enjoyed sexually harassing the completely willing employees (I really didn't mind a bit). The best part, of course, was making the video *Ultimate Cherry*. If you have the video, you already knew that. If you don't, turn to page 98, and you will. ☺

The plumper the better!

How many of you guys remember Inesse's pictorial in the Oct. '04 *Voluptuous*? We asked in red ink..."Destined to be V-Mag's Plumper of the Year?" Well, The Latvian Love goddess came damn close to making us look smarter than we are. Beating a star-studded and super-stacked collection of, arguably, the greatest big-girl talent ever assembled, Inesse has won the Silver Medal and established herself as one of the most desirable plumpers in the world.

BARE FACTS INESSE

Age: 25 Birthday: May 27, 1979

Height: 5'4" Weight: 161 lbs.

Measurements: 46-34-42

Bra Size: 40G

Born, Raised and Lives: Riga, Latvia

Previous *Voluptuous* appearances:

It's joyfully ironic that Inesse is now considered one of the greatest plumpers on the planet, because this is a woman who was always ashamed of what she calls her "winter weight." For years growing up, Inesse would gain weight in the winter then go on the Ghandi-diet to lose it for bikini weather; she was that embarrassed of her full figure. As an adult, it got harder for her to lose the weight. In early 2004, we asked her to pose again, but Inesse told us she couldn't, that she'd have to wait a few months. Little did we know that she had put on the pounds and was too ashamed for us to see her, much less take her pictures. When she finally did come into our studio and took off the bee-keeper suit she was wearing, we were shocked. Not at how much weight she had gained, but at how curvy Inesse was and, most of all, how huge her boobs had gotten. We told Inesse she looked awesome, and when we published some readers' letters after her March '04 pictorial, Inesse read them and, well, you know how girls are—a little compliment goes a long way. In Inesse's case, to the upper echelon of the plumper pyramid.

Now, Inesse has told us that her full-figure is here to stay, and rather than hiding her curves behind Lane Bryant tents, she loves to show off. Again, Inesse credits a few things for her metamorphosis into a sex goddess. First, your letters, especially the fan mail we received here in Miami that we forwarded to her in Latvia. Secondly, being the main covergirl on the Oct. '04 issue. Now Inesse tells us she's floating on cloud nine, 10 and 11 thanks to her latest confidence boost...doing so well in *Voluptuous'* 2004 Plumper of the Year contest. Good job, guys! It couldn't have happened to a more deserving woman.

from her wet pussy and eased one into her asshole. Bianca screamed in pleasure and bounced even harder, her big tits flopping. Seconds later, she screamed and thrashed and convulsed her way to a thunderous orgasm. She sounded and felt so good that I couldn't stand it and came, too, shooting my hot load inside her.

Exhausted, Bianca leaned on me for a moment, catching her breath. Then she laughed and hopped up. "Thanks, teach!" she said. "You're a great fuck!" She turned to Callie. "Wanna suck his juices out of my pussy now?"

Callie didn't have to be asked twice! Bianca sat on my desk and spread her legs, and Callie eagerly buried her face in her roommate's cunt, lapping at both my juices and Bianca's.

As she did so, I let my eyes graze over Callie's beautiful naked body again. I couldn't believe how hot she was! Bianca may have satisfied me for now, but I knew I couldn't wait to shove my cock into Callie next.

The next few weeks of the semester were both fun and torturous at the same time.

In class, Callie looked as hot and sexy as ever, teasing me with her provocative clothes, seductive smile and occasional flashing.

But the real struggle was during the evenings in my office when she and her roommate would play around right in front of me. Callie told me that she had only intended to do that once, but she was so horny by now that she couldn't stay away from me, even though she respected the agreement we had.

So, she'd lie on my desk while Bianca ate her out or stuffed sex toys inside her. But, all the while Callie would be staring at my cock as I watched them and stroked myself! Usually, after Callie got off, Bianca would hop onto my lap and bounce on my rod until she was cumming, too. Meanwhile, Callie just watched us with a look of playful jealousy, like she couldn't wait to take her roommate's place. Then, finally, her big chance arrived.

Callie finished the multiple-choice test well ahead of the other students.

I smothered a grin, imagining her reeling to answer the questions as fast

as she could, just so she could go to my office and wait for me.

She handed in her test, smiled then leaned in and whispered, "Piece of cake. I'll be waiting you know where."

I pretended not to hear her, but my head was spinning. I was glad I was sitting down, or else the rest of the students would have seen how turned on I was. When the last test was turned in, I stuffed them into my briefcase and made a beeline for my office. Callie was already there waiting for me, dressed in the same checkered skirt and overflowing tube-top she'd worn on the first day of class. Neither of us said a word.

Dropping my briefcase, I closed and locked the door, and we started furiously making out. At last, it was going to happen. Both of us were trembling with excitement as I took her to my desk and ripped her clothes off.

For a moment, it was a bit overwhelming for both of us. Callie trembled while I squeezed and massaged her huge, beautiful breasts, gently pinching her nipples before I took them in my mouth and flicked them with my tongue. Callie pulled me even closer and panted in my ear.

"Oh, God, I'm so horny, you're gonna make me cum already!"

"You ain't the only one!" I said with a smirk. I helped her onto my desk and she laid down, her whole body quivering with excitement. My erection was so hard that it was painful inside my pants, so I jerked my fly open. My thick, hard rod sprang up and Callie gasped, spreading her legs wide, but I grinned and shook my head.

"Not yet..."

Folding up her skirt, I peeled her soaking-wet panties off, then buried my face into her pussy. As expected, she was delicious. I licked and licked her cunt while she quivered and moaned on my desk, waves of pleasure sweeping through her body. I looked up to see her madly groping her own giant boobs, easily pushing them within range of her tongue, and this only turned me on more!

I wriggled my tongue in her box, then eased three fingers inside her, rubbing her G-spot while I sucked on her clit. She howled and came, her gigantic breasts heaving and jiggling wildly.

My cock was throbbing, but I didn't want to fuck her pussy, not yet. I'd been eyeing those big tits of hers all semester, and I fully intended to make use of them. Pulling my fingers from her pussy, I climbed onto the desk and let her suck on them. Then I brought my rod to her mouth. Callie eagerly parted her lips and slurped as I fucked her face, getting my rod nice and slippery before I lowered it to her breasts.

"Oh, yeah. Fuck my tits!" she moaned, happily wrapping her gigantic melons around my rod as I thrust it back and forth. Callie's boobs were even softer and warmer than I'd fantasized, and I knew she'd have me cumming in no time. But, I fought the urge to cum. I had other plans.

"Spread your legs," I commanded. "I'm finally going to fuck you...."

Callie gasped and eagerly obeyed, spreading her beautiful thighs as I rubbed the head of my cock against her pussy, then slowly pushed it in. Callie screamed, flashing me a wild look of lust and gratitude. Then she pawed and licked her own tits again, her young pussy straining to accommodate my rod. I couldn't believe it, but Callie was even tighter and warmer than her roommate! I fucked her nice and slow at first, then faster and faster, until her giant melons were flopping and jig-

gling in all directions! Callie felt absolutely wonderful. As hard as it had been, I knew it was worth the wait.

I licked my thumb and rubbed her clit, and soon Callie was cumming again! I was barely hanging on, but I was determined to make our first fuck-fest an Olympic event. I pounded and pounded her pussy, then dragged out my greasy rod and lowered it to her asshole. Without hesitation, Callie hoisted her legs back even further, giving me a better angle.

"Mmm...I've never been fucked in the ass before," she whispered, "but if it's your cock doing the fucking, I'm sure I'll love it!"

I winked at her and eased my cock into her perfect rosebud, nice and slow at first. Her ass was so tight and hot. But by now, she was so turned on from the furious pounding I'd already given her that she was pretty relaxed, and I knew she'd enjoy it. Inch by inch, I stuffed my thick hard cock into her ass, discretely spitting into my palm to provide a bit of extra lube. From time to time, I backed out a bit when it seemed to be too much for her, then rubbed her clit and stuffed it in even further. Callie moaned and quivered on the desk, squeezing her big breasts and tugging harder and harder on her nipples.

"Oh, it hurts, but I love it!" she panted. "Everything you do to me feels so fucking good!"

I laughed and pumped her tight ass a little harder, stuffing three fingers into her pussy at the same time. Callie covered her mouth and screamed, and I knew she was cumming again. I sped up my thrusts until I was fucking her ass just as hard as I'd fucked her pussy. Callie was convulsing in a slew of orgasms, and when I slipped a couple of fingers in her pussy, she totally lost it and started squirting all over the place.

Seeing her cum so much was all I could take. Easing my cock from her ass, I stuffed it back into her pussy for a few final strokes, then joined her on the desk and shot my load all over her big naturals! Callie happily rubbed every drop of my guy gravy all over her tits, then scooped each giant breast towards her tongue and licked it clean.

"That was the best fuck I've ever had!" she gasped, giddy with pleasure.

"Me, too," I confessed. "You know, waiting was a good idea after all."

"Maybe..." She smirked. "So, what are you teaching next semester!"

Voluptuous 2004 Model Of The Year Contest

NICOLE PETERS THE CHAMPION

The best of the *Voluptuous* best.

Some women have a presence that defies explanation or description. Nicole Peters is one of them. We could call her "great," but that would be an understatement. A "Living Legend" is too cliched. A "wet dream cum to life," see living legend. Mrs. John Doe V-Man? We can only hope. No, about the only words we have to describe Nicole Peters that have not been used before are...*Voluptuous* 2004 Model of the Year. And even that phrase doesn't do this goddess justice.

In defeating a past Newcomer of the Year winner (Nadine Jansen) and 2003's reigning Model of the Year (Kerry Marie), Nicole had the widest margin of victory of any of 2004's contests. And when you consider how incredibly popular Nicole is, you have to wonder if she'll join Sharday as the only dual winner, and perhaps set the standard by winning more than two Model of the Year titles. It could happen, especially if readers sentiments remain as strong next year as they were in 2004. "You might as well get a trophy and put Nicole Peters down for every year from now until she retires," wrote J.M. from Florida, who generously voted for Nadine—"Nicole is going to win easy. I just want to at least make it close." And, from Nicole's homeland of England, we leave you with a comment from T.W., who asks what thousands did: "Nicole Peters. Who else?" Looking at Nicole, something tells us we may be asking that question for quite some time.

BRANDY TALORE

Gulp! It's First-And-10 time with everybody's All-American Voluptuous girl.

Lock-n-load, boys, 'cause it's time for that cock-sucking, pussy-pounding, tit-fucking good time we like to call *Voluptuous Xtra*, aka Horniest Show On Earth. Going all the way in the lead-off spot this month—and we do mean *all the way*—is Brandy Talore, who got those deer-in-the-headlights eyes the second she saw this whopper-cock. Honestly, we never thought she'd take it all. But Brandy, being the great sword-swallowing that she is, took every inch we shoved in her face. When she was done, the All-American girl had but one question for us...“What's next?” Turn this page and you'll see for yourself!

Now, for those of you guys who have seen *Hard SCORE*, Brandy's video debut, you're probably wondering what the deal with the huge cocks is. No, Brandy doesn't request them. We just like to surprise her with the biggest piece of meat around. Ironically, this stunt-dick, though pretty damned big, is nothing compared to that sledgehammer slab of salami Brandy got hammered with in *Hard SCORE*. If you're nodding your head in agreement, we're guessing you'll be watching that video again in a few minutes. If you're wondering, 'Where the hell do I get to see that?' turn to page 98 of the main mag.

HARDCORE PLUMPER

Christiana is a big girl, with a libido to match!

Viva Italiano! We're told that's Italian for...We want to see some fuckin' and suckin'! Yeah, so that's a loose interpretation, but who cares, especially with a plumper like Christiana, who is making her *Voluptuous* debut in a big way. This rambunctious Roman is going after every inch of her first-ever stunt-dick with the passion of a lady who, according to Christiana, loves sex, big dicks and hot cum...not necessarily in that order. Like we said earlier, *Viva Italiano!*

BARE FACTS

CHRISTIANA

Age: 36

Birthday: January 9, 1969

Height: 5'5" **Weight:** 152 lbs.

Measurements: 40-32-38

Bra Size: 36D

Born and Raised: Rome, Italy

Lives: Northern England

Occupation: "I'm a professional model for amateur photographers. Instead of dancing, men pay me to pose nude in clubs."

Christiana is a professional model for amateur photographers. Our dedicated associate editor, Elliot James, spends his time off searching for big tits on the Internet. They were a perfect match. He found Christiana on some obscure English site. Apparently, she's like an exotic dancer, only she doesn't dance—she gets nekkid for cameras. It's a Euro-thing, and a good one when you consider how horny Christiana is. Let's see, she started with a dick in her mouth, and now that she's gotten fucked good and splattered with guy-gravy, the girl is so horny, she's ready for another go 'round. Looks like we might need another stickman. Any of you guys game?
